devicePixelRatio	Functional Cookies	This cookie is used to make the site responsive to the user's screen size.
OptanonAlertBoxClosed	Strictly Necessary Cookies	This cookie is set by websites using certain versions of the cookie law compliance solution from One Trust. It is set after visitors have seen a cookie information notice and in some cases only when they actively close the notice down. It enables the website not to show the message more than once to a user. The cookie has a one year lifespan and contains no personal information.
_ga	Performance Cookies	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports. By default it is set to expire after 2 years, although this is customizable by website owners. <u>_ga</u>
OptanonConsent	Strictly Necessary Cookies	This cookie is set by the cookie compliance solution from One Trust. It stores information about the categories of cookies the site uses and whether visitors have given or withdrawn consent for the use of each category. This enables site owners to prevent cookies in each category from being set in the users browser, when consent is not given. The cookie has a normal lifespan of one year, so that returning visitors to the site will have their preferences remembered. It contains no information that can identify the site visitor.
bscookie	Targeting Cookies	Used by the social networking service, LinkedIn, for tracking the use of embedded services.
